

DEPUTY PRESIDENT EDUCATION

AUGUSTUS MBANASOR

#LEADYOURDSU

demontfortstudents.com/elections

Education to me is a journey. We should be entitled to an excellent education. We all pay so much for it, don't we?

My name is Augustus. Currently I am a:

- 2nd year Accounting and Finance Undergraduate
- Course Representative
- School Representative Coordinator
- Brand Ambassador for Business and Law
- Student Mentor
- Freshers' Representative

Deputy President Education is a role which requires action, representation and reaction. I ENJOY representing students and because of this I am fully aware of the issues that students face. I CARE about your personal journey. If elected my focus will be on the issues that students have raised. Enough about me... let us focus on what YOU want:

- **Employability - Productive Enhancement Weeks for all courses with more guest speakers from companies for networking opportunities.**
- **Engagement - Maintaining an effective student representation system, organising more socials for Reps and rewarding them for their exceptional work.**

- **Accessibility - Earlier timetables, 24/7 access to the library, especially for POSTGRADUATE students.**
- **Assessment and Feedback - Efficient and consistent feedback given from ALL teaching staff.**
- **Hidden course costs - Reviewing course costs, including printing costs.**

You're probably thinking... "How does he know the issues I am facing?" As a student I can relate to all of the issues you face and by speaking to students like yourself I can help implement positive change. I will stand up for students confidently at all levels of the university because I TRULY CARE about what you want, don't forget that. Ever. Let's work to create a better student experience and inspire others to do so. This is OUR journey which we can walk, together.

Augustus is your man. Please vote Augustus Mbanasor to be your #1 Deputy President Education
