

# DEPUTY PRESIDENT EDUCATION

## JAMES EDWARDS

#LEADYOURDSU

[demontfortstudents.com/elections](https://demontfortstudents.com/elections)

Hi people of DMU, I'm James Edwards, a third year History student running for the position Deputy President Education.

Going into my third year I have become an active member inside the Students' Union. This year I have been working as a researcher and curator. I believe the Students' Union is an important tool of a student's experience at University. I want to continue and be a part of the development of the University and help you guys succeed.

As DP Education I believe students should be able to have their opinion voiced. Being a part of the Union you have the right for your opinion to be heard, this could be with the creation of a drop box or a student forum. Students should recognise that they have a voice within the Students' Union.

I want students to be able to reach their full potential. If a student did have a problem in their course, they shouldn't be worried to consult the Students' Union. I want to make us approachable and with my help I want to ensure that their issues are addressed.

We all know uni can be a stressful experience. If you did have deadlines compressed into a week, exams hours or days apart, I want to be

able to help relieve students. I want to assist with timetabling, because this could massively benefit students' efficiency and overall marks.

I have experience of working within the SU, this will enable me to ensure tasks are completed for you, as I know the networks inside the Students' Union. I have also been there and experienced the University lifestyle, now it's my turn to listen and voice the opinions of the future students.
