

DEPUTY PRESIDENT
EDUCATION

KAMARA
JAMES

#LEADYOURDSU

demontfortstudents.com/elections

My Aims

Build a greater sense of an educational community.

Continue work to break down any barriers within education.

To handle all serious concerns competently and with integrity.

My Experience

I've been a Course Rep a couple of times; I assessed apprenticeship work (at GCSE (A*-C) level) and I've been undertaking some mentoring with DMU Square Mile. So I understand how important it is when a student reaches out. It is usually when they are desperately seeking solutions, guidance or aids. If that experience/resolve does not address the student's needs, they withdraw as trust diminishes and connections are fractured.

What I would like to achieve

If elected I would like to achieve a more united educational body. Departmental sense of belonging to an academic body, but also building collaborations across departments. To create more innovative academic unions, some

that could be reflected in DSU societies and in potential future business.
