As the Mature Students' Rep(representative)
I would aim to:

Provide free crèche facilities to students with families.

Campaign to improve financial support to mature independent single students.

Provide social events aimed at mature students.

At Birmingham City University I led the Student Scout and Guide Society. I am a committed scout leader, youth worker and member of DMU's Marxist Society. Whilst at DMU I have helped organise an international youth Camp for six European countries. I am also in the process of organising an international trip to examine conflict resolution in the Turkish/Cypriot tension

I would like to expand the current Mature Students' Society so it accessible to mature students that have family and other commitments. I would also plan social events that would be appealing to mature students, this will ensure that mature students feel more involved with university life.

NUS DELEGATE

I am also running to represent DMU at NUS national events , in particular the views of mature students.
