

# VICE PRESIDENT STUDENT ACTIVITIES

## DANIEL ROGERS

#LEADYOURDSU

[demontfortstudents.com/elections](http://demontfortstudents.com/elections)

University life is about so much more than just studying for your degree. I am Daniel Rogers and I believe every student who chooses to study at De Montfort should be able to benefit from everything the Students' Union has to offer. Below I have outlined what I wish to achieve if I am lucky enough to be elected.

### **A SOCIETY TO SUIT EVERY STUDENT**

I've spoken to many students who say they're not part of a society because the university does not offer anything that interests them. If elected I will make it my mission that students have something other than their studies to be passionate about. I would do this by advising individuals on societies that best match their interests or helping create and grow new societies that will cater to students who are not currently involved.

### **MORE FUNDING FOR SMALLER SOCIETIES**

As a committee member on one of the smallest sports teams at the university I understand that funding for small societies is very limited. If elected I will help all smaller societies grow and receive the funding they need.

### **CONTINUED SUCCESS AND IMPROVEMENT IN BUCS LEAGUES**

Our university has some fantastic sports teams who perform very well in BUCS leagues and tournaments throughout the year. If elected I would look to further improve our performance across all sports.

### **SUPPORT FOR ANY STUDENT WHO WANTS TO RAISE MONEY FOR CHARITY**

If elected I will give my time and resources to support any student who is passionate about raising money. As well as continued support for the fantastic fundraising initiatives that the SU currently run.

### **GET PASSIONATE ABOUT YOUR UNIVERSITY EXPERIENCE**

### **VOTE ROGERS**
